TESL 42557 Internship (100 marks, 50 marks for each observation)

Internship Observation Protocol (for supervisors) First observation

Name of intern: Ravindi de Silva   Date and time: 19/12/2020
                                                                        11am- 1pm

Name of observer: Ms. Dinushika Jayathissa   Observation: First

Language skills and functions taught: Pronouns

Evaluate the intern according to the criteria given below. Please use additional paper if necessary.

Write down specific example(s) from the teaching observation to support your comment.

	Criterion	**Comment**	**Marks (out of 5)**
1	Classroom management	The way you managed the class was good. When students were asking questions you immediately clarified with examples. You taught a grammar component using mind mapping and student teaching.	4
2	Teacher talking time vs student talking time	TTT and STT were well-balanced. You encouraged the students to talk.	4
3	Rapport	The rapport you had with the students was good.	4
4	Instructions and checking understanding	The instructions were good but provide clearer instructions. Explain what they have to do and do an example and demonstrate.	3
5	Modelling accurate language	Your language usage was good but some errors were there. Some examples were not grammatically correct.	3
6	Detailed lesson plans	Your lesson plan was good. If you have used a different lead-in activity the lesson would have been more interesting.	4
7	Pace & Timing	The pace and the timing should improve. The pace you are going was little bit fast. Give time to the students to explain. Think about different interaction patters.	3
8	Monitoring and feedback	The way you monitored and gave feedback should improve. Always praise the students. Use peer feedback.	3

9	Balance, variety & communicative focus in materials, tasks & activities	It was a balanced lesson but there were some areas that should be improved. The activities were interesting and the tasks you assigned were good.	4
10	Appropriate stages of the lesson & teaching techniques	The teaching techniques were good. The mind mapping and the student teacher activities were good	4
	Total		36

Positive features of the lesson:
The mind mapping activity and the student teacher activity were really good. The student teacher activity helps the students to revise the lesson they learnt. The way you handled the questions was good and you had a good rapport with the students.

Points to work on for the next lesson:

Be more ready with the lesson.
Give clear instructions.
Focus on your language.
Give feedback and smile.

Overall comment:
It was a good lesson. You conducted the lesson very well and the activities you were effective but there were some areas that should improve such as monitoring, feedback and the way you give instructions. Be more ready and enthusiastic.
